

Will you sponsor me?

As you might know, I will be one of the "Chapin pushers" in the June 5 ("Dorchester Day") walk. On this day along with several teachers and parents, we will be driving up from NYC to Boston to help push our Boston Home partners with multiple sclerosis on Dorchester Day. This year, many of us in Class 6 and Class 7 at Chapin will be publishing the autobiography of Colleen Powers titled "Crossing the Digital Divide" and will again be composing Photoshop pictures like the one below. Once again, we will bring the 55 pictures from Class of 2011 on June 5 to our Boston Home partners.

We are raising money for ongoing technology needs with computers, voice recognition software and video-conferencing resources. This is the eighth time we have had this event; see <http://www.summercove.com/bh> for more info!

Will you sponsor me by making a pledge of \$100 ("gold") or \$10 ("silver") or \$1 ("bronze") or perhaps \$1,918 or \$19.18 ("curse is reversed") to the Boston Home computer lab for helping them acquire speech-recognition technology.

To sponsor me, send e-mail to marathon@chapin.edu and please state "I am sponsoring _____"; please mail checks payable to "Boston Home Computer Lab" to Steve Bergen, PO Box E, Lexington MA 02420 and include a note on the check or attached note that says "I am sponsoring _____". Thanks! Every dollar helps. Send in this form to the above address if you have no access to e-mail:

PRINT name: _____ amount: _____ sponsoring: _____

PRINT address with zip: _____

The Chapin School in NYC is the proud sponsor of The Boston Home in The 2005 Dorchester Day Parade on Sunday June 5th
