

Will you sponsor me?

As you might know, I will be one of the "wheelers" in the June 5 ("Dorchester Day") walk. On this day teachers, parents, and students from The Chapin School will be driving up from NYC to Boston to help push us and walk with us on Dorchester Day. This year, the Chapin sixth grade and seventh grade girls will be publishing the autobiography of Colleen Powers titled "Crossing the Digital Divide" and will again be composing Photoshop pictures like the one below for many of us.

We are raising money for ongoing technology needs with computers, voice recognition software and video-conferencing resources. This is the eighth time we have had this event; see <http://www.summercore.com/bh> for more info! **Will you sponsor me** by making a pledge of \$100 ("gold") or \$10 ("silver") or \$1 ("bronze") or even \$1,918 or \$19.18 ("curse is reversed") to the Boston Home computer lab for helping us acquire speech-recognition and video-conferencing technology.

To sponsor me, send e-mail to marathon@chapin.edu and please state "I am sponsoring _____"; please mail checks payable to "Boston Home Computer Lab" to Steve Bergen, PO Box E, Lexington MA 02420 and include a note on the check or attached note that says "I am sponsoring _____". Thanks! Every dollar helps whether you are a happy Red Sox fan or frustrated Yankees fan. Send in this form to the above address if you have no access to e-mail:

PRINT name: _____ amount: _____ sponsoring: _____

PRINT address with zip: _____

The Chapin School in NYC is the proud sponsor of The Boston Home in The 2005 Dorchester Day Parade on Sunday June 5th
