Internet Safety Webquests

<http://coe.nevada.edu/slefevre/playsafe.html> (6th)
<http://www.dedham.k12.ma.us/webquest/spring2002/ac/internet2.html> (7th)
<http://www.gwinnett.k12.ga.us/MinorES/techsafety.htm> (4th & 5th) (seems young, 1st link is not working)
<http://www.iwebquest.com/responsible/hotlist4.htm> (not necessarily a great webquest but good resources)
<http://www.scs.sk.ca/edf/info/gpa9/Internet%20WebQuest.htm#top> (middle school, maybe 6th and up?) (whole curriculum quest including history of the internet, how it works, safety, etc.)
<http://www.instantprojects.org/webquest/webquest.php?AuthorID=2323> (middle school) (few links)

<http://members.lycos.nl/relivingblackdeath> ---couldnt view because blocked by filter but looks neat

<http://www.unit5.org/foxcreekimc/deap/middleages.htm> -----Middle Ages- i would modify this to make it a little more mature

<http://www.msdp.k12.in.us/staffdev/webquest/chhendr/index.html> ---- neat quest on the civil war

<http://www.scils.rutgers.edu/~srussell/2004/dave/civilwar.html> I love the final product magazine!

http://www.wfsd.k12.ny.us/WebQuest/RadicalReconstruction05update_files/Page266.htm -----I like that this one uses historical individuals to learn about reconstruction

<http://oncampus.richmond.edu/academics/education/projects/webquests/civilwar/> -- general civil war quest

<http://oncampus.richmond.edu/academics/education/projects/webquests/wwii/> --- decision to drop the bomb... I like how students develop their opinions based on what they learn

<http://oncampus.richmond.edu/academics/education/projects/webquests/holocaust/> --- I feel this Holocaust webquest will be effective because it uses real life experiences
